

Dear Parents, Grandparents and Guardians:

As I said to you earlier this week, you and your family are in our thoughts and prayers as together we embrace the uncertainty that surrounds all of us as a result of the Coronavirus (Covid-19). We have not been through anything like this before and we are all learning – every day - how best to respond.

We need to continue follow medical and social distancing guidelines as provided by our public officials. We also need to focus on the gifts we have been given and to try to focus on doing what we do best. For we educators, it is teaching. Toward that end, we have a few announcements as promised:

Online instruction/learning begins Thursday, March 26th

Messages will be coming very soon from building principals with more details on the online learning process and other learning opportunities.

Powerschool

Setting up your account is a top priority. A letter is being sent home with set-up details.

Student-Teacher Communication

Students must check their email often. This is the main way teachers will maintain contact over the next few weeks. login.messmerschools.org

Beginning Monday, March 23rd, between **11:00am-1:00pm**, lunch for that day and breakfast for the following morning will be ready for pick up at two locations:

Messmer Saint Mary

(Main entrance)
