

High School Students:

We are planning to do extra deep cleaning next week over spring break that may include cleaning of all of the lockers. To prepare for this cleaning, we will need students to clear out lockers completely before leaving on break.

At the end of the day today, we would ask that you throw away any garbage in your lockers and take home all of your "B Day materials" with you tonight. At the end of the day tomorrow, we would ask that you take home all of your "A day materials" and anything that remains in your locker.

All lockers should be completely empty by the end of the day tomorrow so that cleaning can take place. If belongings are left in lockers over break, we cannot guarantee that students will be able to get these belongings back."
